DOMINION ORDERS IN COUNCIL.

[1950]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of October, 1909.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR-GENERAL IN COUNCIL.

THE Right Honourable Sir Wilfrid Laurier, for the Minister of the Interior, states under date the 31st August, 1909, that application has been made by Mr. J. C. Maclure, of Vancouver, for permission to purchase the South-East quarter of Section 30, Township 19, East of the Coast Meridian, for brick manufacturing purposes.

The Minister observes that the Agent of Dominion Lands at New Westminster, to whom this application was referred, has reported that the land is of no value whatever for agricultural purposes, the greater portion of it being sheer precipitous sandstone rock and side-hill.

That it would appear from representations made to the Department of the Interior that Mr. Maclure is associated with The Vancouver Fire Clay Company, Limited, which Company has acquired a considerable area of land in that vicinity, and have expended in the establishment of a brick manufacturing industry on the lands so acquired the sum of about \$425,000.00. It would appear, also, that Mr. Maclure desires to acquire this quarter section for the purpose of erecting additional works, either in connection with the above Company or as a subsidiary enterprise.

The Minister recommends, as the land applied for is reported to be of no value for agricultural purposes, and as it would appear to be of some value for the

manufacture of brick,—that he be authorised to dispose of the quarter section in question to Mr. Maclure upon the following terms and conditions:—

1. That there shall be erected upon the property a plant of a capacity of at least 5,000 bricks per week.

2. That such plant shall be in operation, and shall have actually produced not less than 300,000 bricks, within three years from the date upon which the sale may be authorised.

3. That the reservation and sale shall be subject to the rights of the Provincial Government of British Columbia in respect of the minerals which may be found to exist on or under the land.

4. That as soon as satisfactory evidence is furnished to show that the conditions of the sale have been fully complied with and the purchase price at the rate of \$1.00 an acre paid, patent will be issued, which patent, however, will reserve to the Crown the mines and minerals, also the coal which may be found to exist on or under the land. If such evidence, however, to the satisfaction of the Minister of the Interior, is not furnished within a period of three years from the date upon which the sale may be authorised and if payment in full of the purchase price is not made within the same period the sale will become and be absolutely null and void, and the applicant will not, on account of the cancellation of the sale, be entitled to any refund or other compensation in connection therewith.

5. That failure to comply with any of the above conditions will be followed by cancellation of the reservation and sale and the forfeiture to the Crown of the amounts which have been paid.

The Committee advise that the requisite authority be granted.

no4 RODOLPHE BOUDREAU,
Clerk of the Privy Council.

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if

there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House, to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with the notices published. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901, (*see Journals*, 1901, page 58), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

Under a new rule, *see Journals* 7th March, 1908, in the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in rule 57, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.
